Computer Career Program

Designed to provide training for today's working professional, Saint Mary's College offers a state of the art program in an IBM environment. Whether you're an individual exploring new learning opportunities, or a corporate decision-maker concerned with the management of an Information system, the Saint Mary's program offers:

- Program Analysis and Development
- Programming Languages Including "C"
- Fourth Generation Languages
- Object-Oriented Systems Development
- Relational Database Technology
- Data Communications
- Systems Analysis and Design

Teaching in teams, our faculty addresses what you and your company need to consider to remain competitive in the decades to come. And all from a real world perspective. For more information about opportunities at Saint Mary's College, including tuition assistance, call (810) 683-0508.

Classes begin September 6.

Let's cut
to the core,
Lenore.

The Detroit dailies'

"apples-to-apples" pitch

just doesn't cut it.

Here's why:

72% of metro Detroiters live in the suburbs, where SPRING has twice the circulation of the Free Press—and nearly three times the circulation of The News.

And all of SPRING's circulation is audited.

All of which means, any way you care to slice it...

SPRING should be your first choice for reaching the right metro Detroit market.

The
SPRING
Newspapers

Sources: 1993 CAC,
analysis of 1993 ABC.

SPRING is the Observer & Eccentric-Heritage-Independent-Associated-HomeTown network. Call 800-382-8878
