Program makes on-line easier

OGAE
ORLING
ORLI clears the way for a print command. With most communication software, type ALT P or Control P and answer "yes" to prompt to enable your printer. If ALT P or Control P does not work, check the documentation of your communication software.

Once you enable your printer,

every thing that appears on your acreen will be printed out until you "disable" it. To disable, type and IT P again and answer yes. That message will be marked for destruction. Howse if you have important prompt and answer yes. Then disable your printer before continuiting.

Learn these steps now. Later, when we visit databases, you will to share with others. The cealage is the printing of the share with others. The cealage is and then printit off-line.

Another handy Pine tool anamer you to answer your mail is to yourself ing your comments on the bottom of the message received and then recipient what he/abe had asked you in the first place before reading your reply — something very handy for those of us over 40. You also can read a message, add your to go with the first place before reading your reply — something very handy for those of us over 40. You also can read a message, add your to the message received and then recipient what he/abe had asked you in the first place before reading your reply — something very handy for those of us over 40. You also can read a message, add your the proper with the message on the creen and when done typing your some house-cleaning. This makes system operator Greg Day a happy man. When you enter Pine, type "I" to view message.

Whenever your mail is piling up, do some house-cleaning. This makes system operator Greg Day a happy man. When you enter Pine, type "I" to view message. Then moring the up-down arrows.

B RACQUET PROMOTION
The Tennis Co. of Southfield recently gave away 100 free junior tennis racquets to children between the ages of three and 11 to introduce the youngsters to the aport.

introduce the youngaters to the sport.
"Sometimes, children experience early frustration with tennis because they're using adult-sized requests," said David Schwartz of the Tennis Co. "But give them a racquet of the appropriate weight and size, and the game suddenly

turns into a lot of fun.
"What we're trying to do is get
the word out to parents that junior racquets are available."
