Did you know this about Livonia?

Pioneers: There were many early settlers who found their way to the rich farmland that was to become Livonia.

Joshua Simmons was born in Massachusetts in 1801 and came "west" to improve his income and provide a better life for his family. The deed to his Livonia land carried the name of James Monroe and was dated 1824.

Simmons lived in Livonia for 57 years. He cleared 120 acres of land, was active in community politics and in 1850 joined in founding the Union Church of Livonia. There were six Simmons children who lived to maturity and his son, Richard, was the first settler's child to be born in the new territory on November 18, 1827.
