Safe At Home
Back up Care for Kids

JOB WITH KIDS!
Only for those who enjoy working with children.

We have jobs available for people with experience working with children. These positions involve babysitting in a family's home when regular child care arrangements are unavailable due to a mild illness or babysitter absence, etc.

Positions open for part-time & full time with flexible scheduling. You tell us what days and hours you are available. Tell us what local areas you would like to work in.

Potential placements are available throughout the tri-county area. Caregivers must have a car and have excellent references.

Each caregiver will be trained and certified through the American Red Cross "Child Care" course at the employer's expense. Every caregiver will also be certified in infant and child CPR.

Please call Kelly Kendall at "Safe at Home" if you are one of those special people that we need.
