Find out how to feel better about yourself, your health, and your future!

Dr. Franklin tells readers in simple layman's language how to choose a healthy lifestyle that will improve appearance, health and well-being.

This well-illustrated book answers real questions, from real people, and tells real

stories; some funny, others sad, but all true.

Written for those between 30 and 100, "Making Healthy Tommorrow" is easy to read with numerous charts and tables, and filled with great advice.

Just the gift you'll want to give yourself and those you care about.
