Take us on vacation

Thank-you for sharing your vacation photos with us. We're trying to get in as many as we can. If your photo hasn't appeared in Let's Go yet, don't fret, it will! It's fun to share news about your family vacation with friends and neighbors by sending photos to the Observer. To be considered, take your Observer newspaper on vacation and snap a photograph of your family holding the newspaper in a scenic spot. We'll print as many photos as space allows each week. Photos will be returned shortly after publication. We're also looking for recommendations for good places to go with families — overnight, for a weekend or week. What's your favorite winter getaway? Is it some place warm or cold? Send photos and travel recommendations to Keely Wygnik, Entertainment Editor, Observer Newspaper, 36251 Schoolcraft, Livonia, MI 48150. For more information, call (313) 953-2106.

Introducing the **GOOD NEIGHBOR TEAM**

A program to help "Keep The Heat On" this winter for needy people in the western suburbs of Detroit

The Good Neighbor Team is designed to provide furnace service and repair (non-emergency), and in some instances, parts and furnaces, to those who have no financial or other means of keeping their furnaces operating this winter. Up to 500 hours of service will be donated to those in need.

- Indications that this program may be able to assist you:
- Marginal furnace operation
 - Continuous falling of furnace
 - Furnace no longer provides heat
 - You have no financial means to repair furnace
- Requests for service assistance will be monitored by the Salvation Army. Phone 313-953-2048 to request assistance on an automated answering service. Leave complete information, including name, address, and daytime phone where you can be contacted by the Salvation Army.

This is not an emergency service. This is not a heating bill payment program. As a heating safety reminder, always call your gas company immediately if you smell gas.
