**There Are Some Wonderful People In Your Congregation**

Once you become affiliated with a House of Worship, even marginally, you will discover that you have a lot of friends you didn't know about, particularly if some disaster strikes.

If you are suffering from a lingering illness, or in the hospital, or grieving for a loved one, you will receive cards, even from people you scarcely know. Some of them will visit you, and ask if they can be of any help. Of course, your clergyman will visit you and pray for you wherever you are, at home or in the hospital. At the services, even strangers will ask you how you are feeling.

If you are unable to attend, many a House of worship will send you a tape recording of the entire service, including the sermon. God is looking after you, and also, there are many people who care.

It's that in the friend indeed, He will help thee in thy need. — Richard Jefferies

"They helped every one in the neighborhood, and every one said to his brother, He of good courage." — Isaiah 41:8
