## Center hosts communication skill workshop

The Womencenter of Oakland Community College's Orchard Ridge campus presents a workshop on communication skills on Saturday, Nov. 12.

The interactive workshop, led by Maureen Shoben, will help women learn to confront conflict constructively, handle difficult situations well, have durable, intimate relationships, and be powerful leaders. Participants will review the principles of mutual gains bargaining, and cover communication skills such as active listening, constructive feedback, and effective problem-solving.

The goal of the workshop is to help women feel emotionally grounded and empowered in their relations at work, in the community and at home.

This workshop is the third in the "Reclaiming and Reconnecting Ourselves" series sponsored by the Womencenter, a facility that provides educational and support-

resources for area women.

For further information on the "Constructive Relations for Mutual Gain" workshop and other program offerings, call the Womencenter at 810-471-7602.

The Orchard Ridge campus is located at 27055 Orchard Lake Road, just south of I-696 in Farmington Hills.
