

Free Liver Remedy

It is well to stop a physical ailment at the first signs of its approach, and that is especially true of liver trouble, which can eventually give rise to so many serious complications. Many have liver trouble and imagine it is indigestion, and hence take the wrong remedy.

When the liver does not store up sufficient bile juices it becomes sluggish and in a way disturbs the stomach and bowels, the result of which is indigestion. Then comes the salivary complaint, the sticky face, the dull pain in the forehead, the thinning of the scalp, etc. A very quick and sensible way to stop the trouble as well as to cure it, is the use of Dr. Caldwell's Syrup Pepsin, which contains ingredients especially selected to promote the activity of the liver.

Among the thousands who have written the editor about the results achieved with this remedy, and who are glad to make the facts public so that others can help themselves, are Mr. Jas. Kennedy, 812 E. 10th St., Mrs. S. A. La Rue of Smith Grove, Ky., and many others.

There are thousands of others, started the use of Dr. Caldwell's Syrup Pepsin, who will not only give you a free trial bottle, but will also refund the cost of the bottle if you do not feel better after using it. It is a way of your druggist at fifty cents and can be had by mail for the same price.

This remedy is a very improvement over cathartics, laxatives and salts, which only do good for the time being. Syrup Pepsin is permanent in its results. It is especially good for all those who cannot stand a violent purgative. Dr. Caldwell personally will be pleased to give you medical advice you may desire for your self or family pertaining to the stomach, liver, or bowels absolutely free of charge. Explain your case in a letter and he will reply to you in detail. For the full complete story of your trouble and of the results of the doctor's advice, write to Dr. B. Caldwell, 1330 Caldwell Building, Monticello, Ill.
