LIMITED EDITIONS ARE A COLLECTOR'S PASSION. That's why each year the Swarovski Collectors Society (SCS) commissions a Swarovski artist to create a crystal piece for its annual presentations. For 1994 the SCS presents an elegant antelope, "Inspiration Africa" - the Kudu, designed by Michael Starnes. This spectacular interpretation in full-cut Swarovski crystal is the second in the three-part annual edition series, "Inspiration Africa."

We welcome you to a special presentation of "Inspiration Africa" - the Kudu, where you will meet a national representative of the Society. A limited number of annual editions will be available for purchase by SCS members. You may register to win a Swarovski Silver Crystal collectible and will receive a special gift with any Swarovski purchase.

 ATTORNEY AT LAW

**MORE THAN MIGHT BE SUSPECTED**  
 I am delighted to welcome you to this new course. If one's sole impression of the law and lawyers were to come from the media and popular culture, it would consist of nothing but high drama, courtroom antics and colorful behavior. While most people feel themselves to be far removed from these aspects of the law, there are a number of other areas which may concern them. Lawyers play a role in negotiating real estate transactions. They are expert in drawing up and reviewing contracts as well as setting up corporations and other business entities. Lawyers are called upon to arrange or defend civil suits concerning a range of wrongdoings, including personal injury. The law also plays a role in matters of death, wills and taxes. As a result, in this course we expect to point out that the average person has more need of legal advice than he or she may initially suspect. As a former judicial clerk licensed in Michigan and Florida, I am dedicated to providing comprehensive legal services to my community. In choosing a law firm, a client seeks the obvious: successful representation through ethical, professional and reasonable services at reasonable rates. When you retain the services of DOUGLAS E. KUTNY, P.C., you can rest assured that we will listen to you, and discuss your concerns in full. Please call us at (313) 474-7111 to schedule an appointment. Our office is conveniently located at 22300 Orchard Lane, Roseville, Farmington.

HOT! One's lawyer's expertise can also extend to workers' compensation and rights in the workplace.
