STUFFERS, from page 28

Anybody could use an irresistible new pair of sheepskin slippers. Ugg's expanded line of comfortable footwear includes tall, short and lace-up boots, Cluggs (sheepskin mules) and funky Kloggs that go anywhere as well as more conventional house slippers.

By their compact nature, certain traditional holiday gifts make perfect stocking candidates.

Jewelry, watches and all kinds of fragrances fit rather nicely and always thrill recipients. Pick out a stunning gold or gemstone piece for the lady in your life and it will surely be a holiday she remembers.

For men, consider a handsome Swiss Army brand watch, which combines the latest in style and comfort with a grand sense of history.

An engraved pen set, money clip or key chain weave together practical and sentimental notions.

You may want to replenish someone's stock of their favorite fragrance, or else choose a new and exciting one for them to try.

Tuscany Per Uomo Forte, Giorgio Beverly Hills' Wings, Ralph Lauren's Polo Sport and Calvin Klein's Escape are just a few

of the hot new scents for men this season.

And for the ladies, Lagerfeld's Sun Moon Stars, Annarige de Givenchy, Casmir and United Colors of Benetton's Tribu will be tempting shoppers.

There's seemingly no end to our list of stately stuffers. All kinds of electronic gadgets, from pocket organizers and translators to shavers and cameras won't go unnoticed.

There's also music CDs and favorite films, sports instruction or fitness programs on video.

TASTEFUL TRINKETS

With so much wonderful family, so many cherished friends and valuable associates, it's difficult to express your appreciation during the holidays — without going broke.

It's hard to put a price tag on holiday wishes, but most of us have no choice but to keep spending in check.

Making gifts is an affordable and charming alternative for the few who have the time and talent. If you don't have either, look through the following list of

thoughtful gifts to buy for less than \$10.

For women, costume jewelry and hair fashions (combs and clips) are affordable items that just about everyone can use.

Also, single bottles or small sets of products from popular bath and body care lines like Bath & Body Works, the Body Shop, Elizabeth Arden's Spa collection and Dawson's Bath and Body collection.

Refreshing bath gels, lotions and cleansing bars are just a few of the luxurious offerings.

Satisfy sports enthusiasts with a few balls (golf, tennis or racquetball), a glove, water bottle or other handy, but inexpensive accessory.

Again, just about everyone needs a pocket calendar, photo album, picture frame and address book.

And it's easy to customize any of these with a special fabric.

One final suggestion: Treat them to a holiday caffeine boost. Flavorful specialty coffees or teas make wonderful gifts that many people wouldn't splurge on for themselves. Pack it in a mug if you're big on festive presentation!

Christmas Is For Caroling.
