Political Incubator."

BASKET BALL SEASON OVER

Enviably Record Made by Farmington Teams

With the Friday evening game between the high school and the Detroit College Outlaws played, the basket ball season in Farmington has closed.

It has been a very successful season in every way and Farmington has been ably represented on the floors of many teams in Oakland and Wayne county by the High School five and Farmington F's.

The first team put up a very creditable game throughout the winter, winning 16 victories out of 19 engagements, while the high school also won a majority of its games.

In all games played on the home floor large crowds have been in attendance and both teams wish to thank the public for their support.

Ladies' Literary Club
The Ladies' Literary club held its annual meeting Wednesday afternoon at the home of Mrs. Mary Crosby.

The time of the meeting was changed to 3:30 o'clock to enable the ladies to attend the funeral of Mr. Heberling, father of Mrs. Payne, one of the members of the club.

Election of officers and transacting of important business was the order of the day.

The officers for the coming year will be as follows:

Pres.—Mrs. Agnes Chamberlin

Vice Pres.—Mrs. Martha Warner

Secretary—Mrs. Ernestine Pierce

Treasurer—Mrs. Martha Hatton

Librarian—Mrs. Martha Hatton

A paper brought over from a previous meeting was read by Mrs. Jessie Green, entitled "The Historical Aspect of the Woman's Movement."

The subject was treated in a comprehensive way and proved very enlightening.

The next meeting of the club will be held at Mrs. Jessie Green's home in Northville.

Mrs. France, Sec. Pro Tem.

FATAL ACCIDENT ON THE SECTION

CHARLES GRANTHUM HIT BY A
D. U. R. WORK CAR

Was Badly Mangled and Only Lived a Few Hours. Funeral Held Yesterday

Monday afternoon Chas. Granthum, who was employed on the section for the D. U. R., met with an accident which cost his life.

With the rest of the crew he was engaged on the north track, just east of Farmington Junction, when the regular west bound two o'clock car came along. The crew, with the exception of Mr. Granthum, stepped to the north side of the track to let the car pass, but he took the south side and as soon as the car whizzed past stepped back on the track to resume his work, not noticing that the regular was followed by a work car. The motorman frantically sounded his whistle, but the victim did not heed it, doubtless thinking it was the car that had just passed or another one that was passing on the other track in an opposite direction. He was struck as his back was toward the oncoming car and was terribly mangled.

One foot was nearly torn off, his hip dislocated and his head badly crushed. There were also serious internal injuries.

He was tenderly cared for and very soon taken to Detroit to Harper hospital, but died the same evening at 7:15. The body was returned to this place Tuesday afternoon.

The funeral was held from his late home Thursday afternoon and interment was made at Grand Lawn cemetery.

SOLOMON S. HEBERLING
Aged and Respected Resident of Farmington Died Monday

On Monday morning, March 20, death again visited our town and took away Solomon S. Heberling, an aged and much respected resident. The deceased was born Oct. 1, 1833, in Fremont, Ohio, but for many years had lived in Michigan, spending the past few years in Farmington. Besides a loving wife, he leaves a family of five children to mourn his loss—two daughters, Mrs. Col. Payne of Jackson, and Mrs. W. P. Payne of Farmington, and three sons, Calvin, Jay and Ode, all of Detroit.

The funeral took place on Wednesday. Service was held at the church conducted by Rev. G. E. Gillen, and interment was made at Grand Lawn cemetery. Farmington friends extend their sympathy to the bereaved ones.

Superintendent Transferred
Herbert Flowers, superintendent of the Orchard Lake division of the D. U. R., has been transferred to the Detroit and Pontiac division. This is a promotion that is well deserved for Mr. Flowers is a competent official. He has a large number of friends in this vicinity who regret his leaving, but wish him unbounded success in his new position. We have not yet learned who succeeds him on this division.

The Ladies Aid will hold its regular business meeting at the parsonage next Thursday afternoon. After the business is transacted the ladies are to tidy quilt.

M. E. topics for March 26: Morning, "The Lamp," evening, "The Clock of Time," being the seventh discourse in the evening series on the evening topic, "When the world was young." Everybody welcome.

AMOS OTIS

There Are Two Honest Ways

in which a poor man may become wealthy. One is by saving a part of his income regularly and putting it into the bank until it amounts to a comfortable fortune. The other is by saving his money and investing it in profitable enterprises. In either case the bank is a necessity. And whichever way you try, this bank is glad to hold out a helping hand and assist you in every way possible. Have an account with us—become one of our patrons—and see.
