NOW...
You can place an
Observer & Eccentric
classified ad 24 hours a day!

[illegible][illegible][illegible]

Here's how it works:
First, you must have a touch-tone telephone.
Then, all you do is call us — remember, it doesn't make any difference if you're not here to place an ad, cancel one or change something on one you've placed — and we'll let you know.
Let's say it's eight o'clock on Tuesday and you've just realized that the

cupped on the clock you've just placed a tin whistle. It's a good selling point, so you call us. We'll give you a classified number and wait for the operator to reach the classified number. We'll give you the number and steps for changing your ad.
Now, in mind the exact time you wish to place the ad. Give us, please, clearly and slowly, the number of the ad you want to change. We usually do. And that's it.
If it's after 5:00 p.m. on Tuesday, your changes

will be made for the next Monday paper. Or, if it's after 5:00 p.m. on a Friday or the weekend, your changes will hit the Thursday papers.

Of course, our Classified Ad Takers are here every Monday morning from 8:00 a.m. until 5:30 p.m. If you call us at any time, you can still do something about your ad — at your convenience.
