

You, too, can be a TV celebrity on local cable

CABLE CONNECTION

MARY LINDA CALDERONE

Would you like to be a star in your own neighborhood? You can, on your community INFO TV-12.

Have you had a daring, stirring, inspiring experience lately that you would like to share with INFO TV-12 viewers? This is your chance to be on TV. Just bring along some video, pictures, slides or 8-millimeter film and climb aboard Pirate Pete's ship on "Adventures with Pirate Pete."

Pirate Pete (alias the talented Art Cervi, Novi resident and WJMD radio personality) will make you feel right at home. For more information, contact the producing-directing team of Tracy Thompson and Todd Whitman at (810) 473-7268.

Or what about being a contestant on a game show? We have two hot new game shows on INFO TV-12: "Fun & Games" and "Just for the Spell of It." "Fun and Games" features a different board game every week. "Just for the Spell of It" is a great new Scrabble game. Out for '95: playing scrabble at the kitchen table. In for '95: playing scrabble on INFO TV-12. So come on down to the studio. For more information on these programs contact producer Gary Moss at (810) 489-9422.

Feeling a little too shy to be in front of the camera? What about coming out to the MetroVision Studio and being part of a TV audience? On Monday evening, April 3, Shirley Cash on "Cash Talks" will feature Mark Andrews, a psychic who has the ability to see and speak with spirits. Andrews has been known to possess powers of psychic healing, as well. Perhaps you have a question you would like to ask him? Since seating is limited, call producer Shirley Cash at (810) 344-2888.

Have I sparked your curiosity? I hope so. We'll be looking for you on INFO TV-12.

Don't be surprised if the TV bug bites you. Learn the ins and outs of TV production by taking classes at no cost. The only requirement is that you live, work or belong to an organization in Farmington, Farmington Hills or Novi. For more information, contact Joan Lillie at 553-7303, ext. 251.

Mary Linda Calderone is the Community Outreach Coordinator for the Southwestern Oakland Cable Commission.
