Overlook Can Be A Taxing Experience For Many Of Us
When time for taxes rolls around, As many have too often found, Their overzealous quest for wealth Results in ruining their health; As well as higher taxes due For their "eternal" revenue. Then add up each protracted day Those workaholics spend away From home, and never get to know Their children, nor to watch them grow; And every day means that much less Of family togetherness. Our House of Worship says to plan More time with loved ones while we can; Because they are, as we've been shown, The greatest wealth that we could own.
—Gloria Nowak

In making a living today, many no longer leave room for life.
