Area talent fills new USISL team

BY DAN O'MEARA
STATF WATTR.

Wayne Woross of Canton fulfilled a lifelong ambition when he purchased a franchise in the professional United States Inter-Regional Soccer League.

The Ann Arbor Ellie will be stocked with mostly Observerland alent and play its home games at Holloway Field (Pioneer High School) in Ann Arbor.

The 49-year-old Worosz, a tool-and-die maker at the Ford Rouge Plant in Dearborn for the last 19 years, used \$40,000 of his own money to get into the League.

"This is a dream come true for me, to own my own sports team," Worosz said, "I've been saving my whole life for this poal, to put a proteam together."

Nincteen of the 26 team members are former area high school players from either Livonia, Plymouth, Canton, Redford or Farmington.

Farmington.

"With all the tournaments my teams have won throughout the country, I firmly believe the socret talent in this area is among the greatest in the entire United States of America, and I intend to prove it in this league," Worosz said.

About half of the players have college eligibility remaining; therefore, the Elite will compete as one of the 29 amateur teams in the USISL.

With 90 teams in the league, a USISL goal is to promote soccer at the grass-roots level, and each team is required to have at least three under-19 players on its

roster.

"There are a lot older guys in the league, but this league is also a stepping stone for guys coming out of colleget o step right into the pro ranks and make a few dollars," said Worosz.

The Elite will play a 21-game schedule, beginning Saturday night at Holloway Field, and have crossover games against some of the 61 pro teams.

crossover games against some of the 60 pro teams.

Dominic Scicluna, the player/coach of the Elite, and Brian Thiel have pro experience as members of the Detroit Rockers and will be the only Elite players to be paid since they are already recognized as professionals.

Worosz chose amateur team status this year to protect the eligibility of his other players.

"They understand fully I had to make a choice between amateur and professional this year, and they're still playing for the love of the game." Worosz sid. "It's also sigher level than they've ever played before."

In addition to his initial investment. Worosz figures he will have another \$50,000 in expenses this year. For example, the home team must provide 10 hotel rooms for the visiting team.

Worosz sid notel rooms for the visiting team.

Syonsor can have their business logo on the purple-and-white uniforms for \$5,000-10,000. A full-page and in the team program costs \$1,000, and advertisers also will

receive that much worth of tickets.

Worest hopes to draw 1,500 people per home game, which is the break-even point, he said. Admission will be \$6 for adults and \$4 for students (18 or under).

The Elite will play in the Central Amsteur Division against the Grand Rapids Engineers, Sioux City (Iows) Breeze, Des Moines (10ws) Menace, Lvaington (Ky.) Bandits, Louisville (Ky.) Thoroughbreds, Cincinnati Cheetahs and Minnesota Thunder.

The top four teams go to Sloux City Aug. 6-7 to play for the division title. The winner will compete for the national championship against other amateur division thamps. Aug. 15-16 in Richmond, Vs. The final will be televised by ESPn on Aug. 18

The Elite will play the Wheels of the Central Pro Divizion twice—May 14 at home and July 29 at Pontiae Wisner Stadium.

While most of the Elite players are of college age, the oldest member is 31-year-old Henry Kilmes, formerly of Parmington Hills and known to many in Observerland sa an amateur soccer player and coach.

Fans might enjoy knowing there are no ties in USISL games. A shootout follows one 15-minute sudden-death period, Pive conservitive players on each side get the ball at the 35-yard line with five seconds to take a shot.

Ronayne scores 10 in victory

Justin Ronayne had the game of his life, and it couldn't have come at a better time.
Ronayne, a Bloomfield Hills resident who graduated from Red-ford Catholic Central, led Northwood University to a 22-11 victory over Wittenberg (Ohio) University in a lacrosse game played Friday evening before family and friends at Bloomfield Hills Andover High School.
The sophomore attacker finished with 10 goals in lifting Northwood to a 4-7 overall record in a game that attracted an esti-

"This was by far the best game of my career," said Ronapys, who is fourth in the nation in NCAA Division II acoring, "It's good to have a win in front of a big crowd.
"The way this thing was put to grider was great. We both have programs that are really young," he said.
