**Teleservices Call Center Manager**

DPCS, an international telecommunications and information technology company, is expanding its Livonia Teleservices Center and seeks a technically strong operations manager. If you have a successful background in call center management and are a skilled staff leader, this may be the defining career for you. We deploy the latest in database, telephone communications, VRU and networking technologies and we are committed to a positive, team-based environment. At our Livonia office we operate a 50+ station national reservation and tourism development center, including a program development and research facility.

If you can demonstrate past success in teleservices operations and are fully experienced in call engineering, ACD, database integration, VRU technology and agent productivity management, we would like to hear from you. We offer a highly attractive compensation package to the outstanding performer.

Please fax your resume to us at 313-281-8232 or call Ma. Debbie Kair at 313-281-8220.
