The jury in the case of Richard B. Btack, wealthy Escanaba (Mitch.) ina-berman, charged by his former wife, Airs. Orion Alien, Burbankiro Los An-geles, Cal., with kitonpild; their little son, Jank King Sitack, from the Vroo man apartments at St. Louis, January 14, 1910, returned a verdicit of acquit-tal and Stack was discharged. Select Counciliman Janes Elery By-ram of Philadelphia introduced a bill in the upper branch of the multicipal council making it a crimolal offenne for a woman-to appear in the girrets in oute of the new harem skirfs. Fears are entertained.for Capt. El-

Fears are externation for Capt. El-mer. Mikeleng and Engineer Iwersen-who, after having been rescued on the const of East Greenfield has year, left their party to search for traces of the lost explorer. Erichsen.

Four thousand union carpenters at St. Louis struck because of the refusal of a demand for an increase of five cents an hour in wages.

Cents an hour in wages. Following the refutal of Herman H. Rohlsman publisher of the Chicago Record-Herald, to divings the Source of his information that an alleged fund of 3100,000 was raised to aid in the election of Senator Lorimor, the committee investigating bribery at Springfold, IIL, perfected plans for ar-righting Kohisaut before the bar of the senate.

of the senare. Directors of the Panama-Pacific Ex-position company telegraphed to Presi-dent Taft asking that the federal fine urts commission go to San Francisco to ald them in settling the question of a site for the world's fair in 1915.

a Alle dor the world's fair. In 1915. Called as the first witness by the filticols secands bribery investigating committee, Edward Hines, the Chi-mage lumburnan, declared in the midsi ad bis testimory that he was approached by Sensator Advich with a request from President Tart that he urge William Lorimer to be a candi-date for senator.

Because he never goes out nights and could not think of changing his habits, J. D. Peeples, a druggist of Rosedale, Kan., a suburb of Kansas City, refused to accept the nomination for mayor.

Personal

Mrs. Mary Adelaide Yerkes, widow of Charles T. Yerkes, traction mag-nate, died in her home in Madison arenue, New York city. The imme-diate cause of her death was dropsy, due to heart trouble. Paul Sorg, well-known amateur whip, started to drive a four-in-hand coach from New York to San Fran-cisco.

. . .

Michael Halapy and Joseph Pog-galni, bock of Pittsburg, Pa, have been appointed editor and business manager, respectively, of the United Mine Workers' Journal.

Dr. Clarence H. Burton of Detroit

Commander Robert E. Peary was commissioned a civil engineer with the rank of rear admiral, in accord-ance with the act of congress passed at the last session. The appointment is to dast from April 5, 1905, the day he reached the north pole.

Foreign

Foreign Thity-four rebels were killed and scores were wounded in a clash be-tween a detachment of 350 federal soldlers and 150 insurrectos at. Al-dama, Mexico. The insurrectos are said to have been shet down like rab-bits in a running fight following a sur-prise uttack by the federals. The principle of no reelection for the president and other executive functionaries and an effective reform-ation of the electoral have, were con-ceded in the message of President Diaz to the Mexican congress. Re-forms touching the power of local au-thorthies, the judiciary and rung es-tates were also promised. The Spanish ministerial crisis,

attes were also premieed. The Spanish ministerial crisis, which appeared intrugit with a to are predicted as provided and a second and and an are appeared in the second and Alfonor received Senor Canaloiss and requested him to conthue in power. The premier agreed on condition that be by permitted to make such changes in the cabinet as he deemed neces-sary. To this the king readily as-sented.

Lord Strathcoma, lord high commis-sioner from Canada i to the British crown, has accepted the homorary chairmanship of the western commit-tee of the Canadiani Y. M. C. A., and makes a sift of \$160,000 for Y. M. C. A. buildings in Manifolds, Saskatche-wan and Alberta.

THE THINGS DONE AT STATE CAPITOL

SPECIAL COMMITTEE IS NOW INVESTIGATING THE KALAMA-ZOO INBANE' ASYLUM:

IS CHARGED THAT MEMBERS OF THE BOARD OF CONTROL HAVE BEEN SELLING SUPPLIES.

The Tonnage Tax Bill is Apparently Dead Once More. Senator Mor-larity Led Fight Against It.

By Toby Candor.

By Toby Candor. Kainamaco, insene asylvm is the hatest Institution, to be placed under fire. Charges have been made to the effect that the members of the board of this institution have been either dual to or indirectly sentitution con-trart, to the law. It is charged that corolitant prices have been placed upon these materials and that the conduct of the institution hasi been extra-tagent in general. It is charged that one department's expense, have been and the verse appropriated. As a result of these charges of mo-tion of Rep. Taylo of the standard been named considing of Rep. Rev. To which they were appropriated. As a result of these charges of mo-tion of Rep. Taylo of Kalamazoa appeal considing of Rep. Rev. Glazner has been appointed to imake a thorough probe of the situation. Once more is the ionnage tax bill apparently dead. It came from the committee of the Sentae where it was supposed to have been definitely bur-led after its passing the House but with a recommendation that it do not ing as an indefinite in the con-ing as an indefinite in the con-ing as an indefinite in the con-ing as an its further consideration of the bill be indefinitely postooned and this carried by a vote of 19 [10 13. Of course under this metton it may be the the dist in the law but with a track of the beat will be metals. It is the and the bill will probably be heard of again this session.

_____ |-

bot be heard of again this session. Veterans of the Mexican and Civil wars and thefr widows will be ex-empted from taxation to the amount of \$1,000 on their assessed valuation provided their property is not valued at more than \$3,000 if the amended House and a soriginally intro-juted provided that setting the sories bill had a somewhat checkered career In the House and as originally Intro-duced provided that yeterans should not be exempt at all. Attemuts were made to defact it with amendenties but they all make the exemption and which passed the House. Tao Asthey framenal insurance bill

which does make the exemption and which passed the House. The Ashley fraternal insurance bill in which every Maccabee, Woodman and obtained the second second second provided for the raising of the rates of all such societies to a uniform standard approved by the National Fraternal Congress, it was found that the second second second provided for the raising of the rates of all such societies to a uniform standard approved by the National Fraternal Congress, it was found that the second second second woodmeen the particular, although the head camp approved it. Attempts to kill the bill failed but when it's came up on third reading an amendment was tacked on which provides that the bill at all its majtlets, what a farce they will accent its provides that they will accent its provides that the bill at all its majtlets, what a farce the whole thing its. The referedum in this case reduced the bill to 29 pages of words meaning, nothes.

believes he has discovered a serum for the cure of locomotor ataxia.

pages of words meaning notibles. Whather it is that the people of the state do not appreciate the work of the fremen or merely that Mich-igan is too penurious to recognize their worth by caring for them after they have been injured for worn out remem, after being once. Niled and then pervised in the form of a folse resolution by which with it was ex-pected to place the proposition be form of the place the place and the place the place it is the place of the place of the nittee without recommendation and an attempt to place it in the general order where the House might give it careful consideration was voted down. Senator Walter is making a hard

Sensor Weller's making a hard man askins one providen of the Watkins game ikw bill which provides that all persons using a gun hell par-na moreal buster's licence of one do-lar and must go to the coulst seat to secure the license. He bilds that the 'finne' by or the license' bus-permitted to do's o within the or-permitted to do's o without the or-permitted to do's o without the or-permitted to do's o without the or-permitted sensor while license fee charged. The bill has r-seed the Sen-ate but Sensor Watter proposes a considerable simber of perions lin-dup to help him knock out this pro-vision there. sery. To this the king readily as-sented. The German government's direct: cable lies from Endes, Germany to Pernambuco, Brail, by way of Mon-rovia, Liberia, has been opened. The most important baitle of Sentorn is ended atter two days of stubborn fighting, which began lnear the towns of Ures and San Rafael. More than 100 were killed on both sides.
