

Free oral cancer checks set

May is national dental month, and part of dental hygiene is the routine exam for oral cancer. Free oral screenings will be offered this month through the Farmington area YMCA. About 95 percent of oral cancers occur in people age 40 and older. When mouth cancers are detected early, survival rates increase dramatically. The information on the free screenings can be picked up at the Y at 28100 Farmington Road, in Farmington Hills. (810) 553-4020.

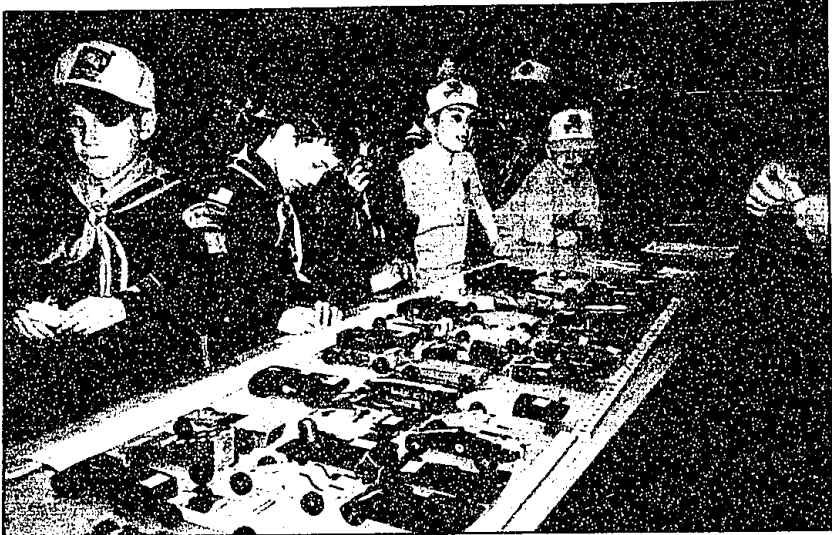

Vehicle donations aid foundation

Michigan residents can get a jump start on cleaning up their yards of old cars, trucks and motorcycles. Michigan residents who would like more information about donating an old vehicle can call 1-800-488-2277. The National Kidney Foundation of Michigan benefits from each donation. Proceeds support research, public and professional education, patient services and organ donations.

Cubs and cars

Derby day: Cub Scout Pack 116 was on track with its pine wood derby at Highmeadow Common Campus recently. The Scouts made derby cars out of blocks of wood and then decorated them. A race was held for each den to determine the fastest car and then the winners of those races competed for fastest car of the pack. There was also a competition for coolest car. About 100 people attended, with 50 cars racing. Above, Scouts gather around as the cars are displayed. At right, the Scouts watch the races.
