Doctors say huge numbers of kids and adults have Attention Deficit Disorder. Is it for real?

As a special public service, the Integrated Visual Learning Center will present a free lecture given by Dr. Steven Ingersoll. Many students diagnosed as dyslexic, hyperactive or having Attention Deficit Disorder actually have an oculomotor deficiency rather than an intelligence or motivation problem. To learn more about this fascinating subject, call 810.478.7313 for reservations. 810-478-7313 for reservations.
