very satisfied. My brother is building in Northbrooke.

"I was looking for something with a very open floor plan. I like the separation of the other two (upstairs) bedrooms from the main floor," Zych said.

Larry and Judy Dropelewski and family are getting a four-bedroom colonial from Saylor.

"I liked the elevation (exterior) and the size of the houses in Kensington Forest," Larry said. "Judy works in Royal Oak. I work in Sterling Heights. We like the location on the south side of Rochester Hills."

Melissa and Chris Hoffman are building a four bedroom colonial through Palazzolo/MJC Legacy.

"We really liked the model a lot, the wide-open floor plan," Melissa said. "It has four bedrooms and we're starting a family. We're not swimming in space, but I don't think we'll outgrow it."

Closeness to work, 20 minutes for each, and on-site landscaping also attracted the couple to Northbrooke, Melissa said.

Until models are finished in Northbrooke, sales reps for Palazzolo/MJC Legacy (810) 859-3227 and Saylor (810) 299-5313 are available 1-6 p.m. daily, except Thursdays in Kensington Subdivision models, Auburn Road just east of Northbrooke.
