ANCA, INC.

Machine Tool Service Technician

ANCA, Inc. is the U.S.A. headquarters for the internationally renowned FASTGRIND range of precision CNC grinders. We provide service and technical support to our products. We have an immediate vacancy for a highly skilled machine tool service technician to carry out mechanical and CNC field service work.

You will have had several years experience servicing precision machines and be skilled in CNC servo control systems, PLC control and tool finding techniques. Some experience with CNC machine tools, mechanics and linear guidance systems is very desirable.

Applications Technician

Increasing sales of the ANCA FASTGRIND CNC Tool and Cutter Grinder has produced an immediate vacancy for a self motivated applications technician.

Duties to include in house demonstration of our product, customer training and technical support within the United States.

You will have had several years experience operating CNC Tool and Cutter grinders. CNC programming knowledge and good customer relations will be an advantage.

Offering an attractive salary and benefits package.

Please send resume to:
