Heavy damage: Farmington Hills police Officer Don Fradette (left) and Sgt. Dennis Green (center) look over damage to a Pontiac after a crash Monday at about 11 a.m. at 11 Mile and Orchard Lake, in front of the Hills City Hall. The Pontiac, driven north on Orchard Lake by Katherine Cotter, 52, of Farmington Hills, was struck by a blue Chevy station wagon driven east on 11 Mile by Bernard Greene, 72, of Waterford after it did not stop for the flashing red light. Greene was in stable condition at Botsford General Hospital in Farmington Hills. Cotter was transferred from Botsford to Sinai Hospital in Detroit, and is expected to recover.

Family Birthing Center of Providence Hospital...

Often imitated - never duplicated.

Many places claim to be birthing centers, but the Family Birthing Center of Providence Hospital has the credentials. It is the only center in Michigan accredited by The Commission for Accreditation of Freestanding Birth Centers, a division of the National Association of Childbearing Centers.

The Family Birthing Center is a unique alternative for childbearing families. The staff is committed to providing each family with a birth experience which meets their individual needs in a safe environment. Our philosophy is based on the belief that birth is a normal process, and routine medical intervention is not needed for most labors and births. We provide a partnership with families that encourages education, participation in decision making and more control over the birth experience. Extended families, including siblings, can participate in the birth event, and mothers and babies are not separated after birth. Your care may be provided by an obstetrician, family practice physician or certified nurse midwife with privileges at Providence Hospital.

In addition to our home-like atmosphere, the Family Birthing Center offers the safety of nearby Providence Hospital with its quality high-risk services in case of a problem.

We offer a comprehensive program of childbirth education, including your choice of normal birth or Christian birth classes, breastfeeding education and support, preparation for early discharge and sibling classes. Our services also include one-to-one nursing care, early discharge with extensive follow-up and a home visit by one of our nurses. Homemaker assistance is also available as part of our program.

We are located in the Fisher Center attached to Providence on Nine Mile Road in Southfield. Come visit us and see for yourself. We want to help make the birth of your child the personal experience it should be. There is a difference.
