From Vision to Vehicle

As Vehicle International of America, Inc., we're a part of Magna's Core Body & Chassis Division, which was given GM's Worldwide Top Supplier honor in 1994. A key factor in our success has been the enthusiasm and high energy of our employees, who are encouraged to participate in decision-making throughout our project.

AUTOMOTIVE ENGINEERS

Are you meeting positions for automotive engineering professionals who are ready to join us in a technically challenging and competitive field. An engineering degree is required for the following:

- Parts Procurement Process Engineer**
The accomplished professional we seek will have a solid track record of at least 10 years in GM parts procurement processing, as well as demonstrated proficiency in coordinating procurement of prototype parts and interacting with prototype suppliers. Reply Code PPE.
- Body Structure & Chassis**
Our qualified candidate will have at least 3 years of experience in design and release, an impressive background in preparing cost & performance data for project timing and key events, and a strong knowledge of body structure. Reply Code BSC.
- Interior Trim**
A minimum of 3 years' experience in all trim, door trim, garnish molding & release is required. Preferred candidates will have injection molding experience. Reply Code ITE.
- Exterior Trim**
Qualified candidates will have at least 3 years' experience in trim & body on body. Reply Code ET.
- Front Bumper Systems**
We seek individuals with a background of 3+ years in bumper systems. Reply Code FBS.
- Stunroof**
At least 3 years' experience in sunroof packaging will qualify you for the position. Reply Code SS.

Our employees are provided with superior technology, information and support, as well as a dynamic environment for advancement. We offer a highly competitive salary and benefits plan, a stimulating atmosphere that encourages and rewards innovation and initiative. For confidential consideration, please send resume and salary history indicating interest. Reply Code to Human Resources Department, 1800 West 10th Avenue, Suite 100, Detroit, MI 48202. Fax (313) 594-4197. No phone calls please. EOE.
