NOBODY MAKES HOME

OWNERSHIP EASIER.

At Standard Federal, getting the lowest mortgage rate is a lock.

No matter what mortgage rates do next, you can get the lowest Standard Federal interest rate possible with our unique Rate Lock or Lower feature.

If you're thinking about buying a home, or refinancing your current mortgage, you've probably been keeping an eye on the recent drop in mortgage interest rates.

You can make interest rate changes work to your advantage with Rate Lock or Lower at Standard Federal. When you apply for a mortgage or for refinancing, Rate Lock or Lower not only locks in your interest rate at the time of application to protect your rates from going up - it also guarantees you that if our interest rates have gone down by the time you close, you get the lower rate while your Lock or Lower commitment is in effect. (Rate Lock or Lower not available on certain No-Point/No-Fee Mortgages)

That's right - you get the rate at the time of application or at the time of closing - whichever is lower.

By getting the lowest rate possible, you could save cash every month over the course of your mortgage. That's why now is the time to talk to Standard Federal about our unique Rate Lock or Lower opportunity. Give us a call at 1-800-643-9600 or stop by your neighborhood Standard Federal Banking Center today.

Helping You Along The Way.
