

Any available term up to 60 months:

Our car loans are loaded with attractive features. The sticker price is a low 8.9% APR, fixed rate for new cars, good for any available term up to 60 months.

Maintenance is low—you can apply toll-free by phone or visit any of our nearly 200 branches. And selection is high. This special rate also applies to RV and boat loans. We've lowered rates for used cars and used RVs, too.

We'll even throw in an additional 1/4% discount on any loan if you arrange automatic payment from a Michigan National Bank checking or savings account.

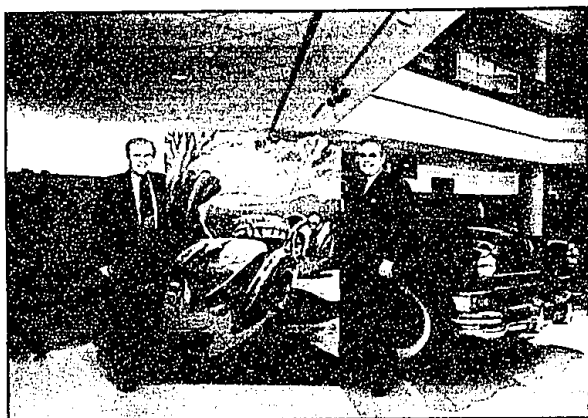

There's an important safety feature, too. The peace of mind you enjoy from dealing with a financial institution that's been around for more than 50 years. It's always nice to ride with someone you trust, don't you think?

Call now. Before these special rates hit the highway August 31.

Artwork d'Elegance

By local artist: Farmington Hills artist Tom Hale (left) displays his painting of a classic automobile that will be used for the official poster for the upcoming Concours d'Elegance at Meadow Brook Hall in Rochester with Robert Eaton, honorary chairman of the 1995 Concours and chairman of the board and CEO of the Chrysler Corp. The 6-by-4-foot painting depicts the 1930 Mercedes-Benz "Count Trossi" SSK owned by Ralph Lauren with Meadow Brook Hall in the background. The "Trossi" car, which is considered by many as the most beautiful Mercedes-Benz ever created, will be one of the featured autos on view with 250 other classics at this year's Concours on Sunday, Aug. 6, at Meadow Brook. Great German classics have been named the featured marque, and the English sports car, Morgan, is the sports marque.

The UofM transfer
can take you just about
anywhere you want to go.
You could start the trip this August.

This August, 1995, the University of Michigan Dearborn has just the ticket for everyone's career path. We call it Michigan Advantage Month. What it means for you is that admissions counselors are waiting to tell YOU how you can transfer to U of M Dearborn. They will show you how to transfer your college credits, how to organize your course plans and answer questions on the ever-vital area of financial aid.

"Michigan Advantage" or "one-stop" service, the effect is the same. We check to see that you meet our admissions standards. Then you get the advice and direction you need to walk away with a Fall course schedule and a start on your degree from U of M.

And our advisory services are not just for undergraduate students. We will talk to anyone interested in graduate and

professional programs in engineering, education, management, public administration and other fields. U of M Dearborn was rated a "best value" by U.S. News and World Report. That is a ranking based on the quality of the institution measured against the cost for students.

Ten days in August have been set aside for walk-in students or those who take the bus. We will also be glad to schedule appointments with students who can't make it to campus during the open days. Interested students, and we hope that means you, should call the Admissions Office at (313) 593-5443. Of course, if you're electronically driven, you can get us at our E Mail address. That's umdgbu@umd.umich.edu.

Remember, the trip starts when you get here.

A UofM Degree.
Closer to you now than ever before.
