"Where the Spirit of God is Directing"

Family Values Should Be More Than Just A Phrase

During recent election campaigns and at other times, we have heard a lot about so-called "family values" on all sides of the political spectrum. Even with divorce and single parenthood becoming increasingly common situations, it should be taken to mean as much family togetherness as conditions will allow, more parental guidance and increased communication between the generations. Children should be taught not to be afraid to tell parents about their problems and concerns. Your House of Worship can be of great help in these areas, and indeed, may be able to prevent some of the tragedies you keep hearing about. Talk to your clergyman; he can help improve the lives of you and your family.

The best inheritance
a parent can give his
children is a few
minutes of his time
each day.
— O.A. Battista

my house, we will
serve the Lord."
