Prepare Your Children For School And Sunday School

The new school season is almost here, and it's time to think about all those preparations for it. Of course, there are the clothes, to replace the ones the children have outgrown, along with medical check-ups, eye exams and any needed vaccinations. In addition, there are reminders about manners and discipline in the classroom and on the playground.

Unfortunately, there are also other preliminaries that must be attended to in today's hazardous world. Children should be taught to resist any effort to get them to try drugs or join gangs. Lastly, safety must be emphasized: walking in groups if possible, avoiding strangers and reporting any suspicious-looking activity. And, to reinforce parental guidance, the Sunday school should teach our children their faith and sound moral values.

The greatest natural resource that any country can have is its children.
