

Free Prostate Cancer Screening

Prostate cancer can be successfully treated when detected in the early stages.

The facts about prostate cancer:

- It is the second most common form of cancer death among American men.
- An estimated 244,000 men will be diagnosed with prostate cancer in 1995.
- Approximately 40,000 men will die from prostate cancer this year.

If you're between 40 and 70 years of age and would like to register for a free screening, contact the location nearest you. Early detection and annual testing are the best weapons in the fight against prostate cancer.

MISSION HEALTH PROVIDENCE HOSPITAL AND MEDICAL CENTERS

Symphony celebrates milestone

It's been 50 years since the Plymouth Symphony started playing to music in the community.

To celebrate that milestone, the symphony is giving away 50 free tickets to its opening concert at 3 p.m. Sunday, Oct. 15, at the Plymouth Salem High School auditorium.

To enter the contest, submit a postcard with your favorite Plymouth Symphony memory. A panel of three judges will award the

PLYMOUTH

three most memorable entries with a pair of tickets and recognition in a future edition of the Plymouth Observer. Also, 22 winners will be randomly selected.

The postcards must be received by 5 p.m. Monday, Oct. 2. All decisions and selections made by the judges are final. Observer employees and their families and

Plymouth Symphony Society employees and their families may not enter.

The contest is only one event on tap for the Symphony League. The group will host a fall antique show 10 a.m. to 8 p.m. Friday, Sept. 29, and 10 a.m. to 8 p.m. Saturday, Sept. 30, at the Bedford Inn, 28000 Grand River in Farmington Hills.

For more information, call 410-5596 or 455-3199.
