

# Gardens from page 17A

The response was so great, that there was enough for 10 families, so the branch decided to touch a greater number of families by providing for Neighborhood House throughout the year, when contributions might not be as available.

The branch also hosted the Winter Council Meeting for all of the Michigan Division at the Botsford Inn, which was a huge success.

Under the leadership of President Sharon Johnson, the present membership basis: four of its charter members: Toni Armstrong, Carol Apol, Marion

McCoy and Gwen Senatore. Through the past 20 years, many of the names and faces have changed, but the bond of friendship established by their founders still remains intact and has become the cornerstone of their branch.

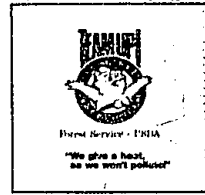

This year's activities include a welcome dinner and business meeting in September; an Aromatherapy program in October, which includes putting together thousands of pine cones and bows for an annual fund-raiser selling holiday wreaths, swags and roping in November and December.

A "Growing Beautiful Roses" seminar is planned for next January; a Featherbowling outing is slated for a couples party next March; T-shirt painting is also planned for March and "Crafting from Nature" is the scheduled theme of the activity for next April.

If you have a love of gardening or would like to learn more about gardening, call membership chairman, Sylvia McKee at 478-0127.

**■ Their dream became a reality as six young women each invited four friends to join them in the formation of this active branch.**

The branch motto, written by Trish Bell, is as meaningful today as it was years ago: "As we sow the seeds of friendship And nurture budding skills, May we build a fence of happiness Around our Farmington Hills."
