Now that's scary

Haunt The Winery

The Haunted Winery usually is a scary place for kids to be in the days before Halloween, and this October is no exception.

Associated with the Farmington Historical Commission, the Haunted Winery offers Halloween-type haunted house activities for youngsters. It is in the 115-year-old building with the tall smokestack at 31505 Grand River near Orchard Lake Road, Farmington. The building, previously a powerhouse

We couldn't care more.

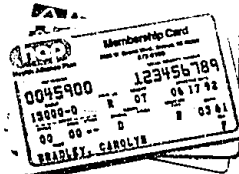

We're here for you. Right in your own back yard. And we've expanded to provide you with the most complete care - all under one roof. In addition to internal medicine, OB/GYN, pediatrics, dermatology, eye care, orthopedics and, of course, 24-hour emergency care, we offer nearly 150 physicians in more than 35 specialties.

Everything that's new is designed for your comfort. When you enter, you're greeted by a more open, well-lit atmosphere and by one of our Volunteer Hosts, who's there to help make you feel at home and answer any questions you may have. Among the other changes, you'll find little things like warm, relaxing lobby areas and restrooms designed to let

you change little things, like babies.

For after-hours questions, patients can call our nursing advice service and talk with an experienced nurse who has immediate access to your medical information. And should you need hospital care, ask your doctor about admission to nearby St. Joseph's Hospital-Oakland, Huron Valley Hospital or Henry Ford Hospital.

More amenities, more physicians, more services, the same high level of care... this is Henry Ford Medical Center-West Bloomfield. Find out just how much more accommodating we are. Stop by and see us. For a Henry Ford physician, call 1-800-653-6568.

Health Alliance Plan and most health care plans are welcome. HUP members are also welcomed at over 60 hospitals and medical centers throughout Southwest Michigan.
