

Fritz Schultes

Resident becomes Eagle with landscape project

Fritz Schultes of Farmington Hills recently earned his Eagle Scout Badge by planning and completing a landscape project at Heritage Park.

He moved a garden sun dial, which was donated and dedicated originally in 1992 by the North Farmington Garden Club. It was

to commemorate the renovation of the Spicer House and grounds.

The project gave Schultes experience in landscape design, salesmanship, financial management, leadership and teamwork skills and scientific knowledge of reclamation when he worked on the sun dial.

Family Room.

When you see the family birthing rooms at St. Mary Hospital, you're in for a beautiful surprise. Each of the rooms is attractive and private, with relaxing colors and special touches. And all are planned for families who want their new arrival to receive the warmest of welcomes.

They're practical too. You can experience labor, deliver your baby, and recover all in the same homelike setting, without the discomfort and inconvenience of being moved from one room to another.

If you want a hospital that gives your family room to be a family, talk with your doctor about St. Mary Hospital. Or call us at (313) 464-WELL and we'll arrange a tour of our special rooms for special guests. Because when it comes to family-centered childbirth, we deliver.
