FAITH AROUSES THE GOOD IN PEOPLE DURING ANY DISASTER
 Almost a year after its devastating earthquake, the Los Angeles area suffered another calamity, of a different nature: flooding and mudslides caused by an unrelenting series of rainstorms. Homes were evacuated, cars buried, highways closed, and some people drowned. On the brighter side, however, was the heroism shown by many residents, who rescued people in their boats, helped their neighbors shovel the mud out of their homes, and helped them fill sandbags in preparation for the next storm. The good that God implants in people always shows itself at times like these.
 He who helps in the saving of others saves himself as well. - Hiramwood You Are
 "They helped every one his neighbor, and every one said, 'be of good courage.'" - Luke 24:16
