

Pros stage battle for Open championship

THE J. Simpson
Interview scheduled to air Wednesday night didn't occur and it's just as well as far as pro bowler fans are concerned as the Greater Detroit Open at Taylor Lakes was able to take center stage. Professionals Brian Voss and Justin Hromek turned in a memorable final as Voss defeated Hromek to win the title.

In addition to the Voss-Hromek matchup, a few area bowlers turned in some good results in the Pro-Am competition. Leading the pack was Jayson Kagle of Westland, who took third place in the youth squad of the Junior Division. Jack Dahlstrom and Howard Davis, both of Redford, competed solidly in the Saturday squad.

Next year's event will take place in June at Taylor Lakes.

■ Several area seniors bowled well in the recent National Senior Bowling Association event which was held at Gray Lakes. Rochester Hills residents Gary Reigh (2nd), Bill Hayes (5th), and Ed Grant (5th) all bowled well. Livonia residents John Staricha (5th) and Bill

Ponke (10th), Ray Randall (4th) of Canton Township, Phil Horowitz (15th) of West Bloomfield and Bob O'Brien (15th) of Farmington Hills also bowled well. Michael Duncan of Harrison Township took top honors.

■ The NSBA has reached an agreement with Metrolast Health Care Services and Award Services Unlimited to provide a dual corporate sponsorship for the next fiscal year. This arrangement will provide for larger cash prizes in the tournament and a guaranteed prize of \$12,000 for the champion. For further information regarding the NSBA, call (810) 626-8866 or (810) 568-3740.

■ In case you haven't been to pro shops lately there are a lot of new items on the shelf for cleaning and conditioning the reactive resin ball. I spoke to Paul DiLaura who distributes many of these products to many of the local pro shops and he indicated that the two best sellers were "Squeaky Clean" and "Rev-It."

There is a need for a good cleaning agent as the reactive balls have a way of acting like a sponge and soaking up floor oil, wax, sand and dirt. The products work well and restore the performance.
