"It may have been something to do with Halloween," said Eric Wurmlinger, Farmington Hills assistant director of special ser-

vices. "Our maintenance people discovered the damage Wednes-day (Nov. 1)."

Wurmlinger said vandals took out some posts, twisted some others and damaged a split rail fence. He said although the city takes it seriously, it is the type of "mis-

chief" that the city has had to deal with in other parks as well.

"We had people tip over trash burrels and take out sign posts," he said. "The signs are important, especially in a new park where you don't want people to get lost. We had everything fixed by the next day."

the most beautiful sight in the world is the face of her baby.

As a new mom, you'll want to spend every moment you can with the newest addition to your family. That's why you'll want to see the newest addition to our family, the Women's Hospital Birth Center.

WOMEN'S HOSPITAL BIRTH CENTER **GRAND OPENING**

Saturday, December 2, 1995

10 to 11 a.m. Pre-conception Planning Seminar

11 a.m. Birth Center Dedication Ceremony Invited guests: Mrs. John Engler and triplets

11 a.m. to 1 p.m. Tours, food, entertainment & free gifts

Come see our family-centered approach to childbirth. Where instead of being moved to different rooms for labor, delivery and recovery, moms and babies can stay together in the same room until it's time to leave. See how each private birth room combines home comforts with the latest medical technology. And talk with the doctors, nurses and midwives who are committed to making the special experience of childbirth more memorable.

For more information about the Grand Opening, or to reserve your place at our free pre-conception planning seminar, please call the Women's Health Resource Center at 313-936-8886. For directions and free parking information, please call U-M TeleCare at 763-9000 and enter category 2229.
