**The Bible Can Teach All Of Us
To Lead A Better Life**

It is a sad commentary on today's world that we must live in fear because of all the crime and violence we hear about every time we turn on the news. Moreover, the worst of it is the fact that so many of these acts are committed by teenagers and even children. We ask ourselves where we went wrong and what we can do to prevent future occurrences.

Aside from the influences of the media, which may well be partly responsible for this terrible situation, the answer lies in proper training in the home, with help from the Sunday school.

Busy parents must find time to spend with their children and listen to their problems and concerns. A great source of help and inspiration for this is the Bible, which we should have in our homes. It contains the best set of rules for a good life.

As a guide, the Bible is without a rival.
