## Thanksgiving travelers head for home

The number of Michiganians who hit the roads and the skies during the upcoming 102-hour Thankagiving holiday weekend will equal or slightly aurpase last year's levels, according to AAA Michigan.

"Traditionally, about 20 percent of Michigan residents—or 1.8 million people—take a trip 50 miles or more during the upcoming holiday weekend," said AAA Michigan Travel Director Bill Best. "That includes residents driving to grandmother's house up north for dinner as well as those flying home for the holiday."

Since Thankagiving is primari-

lay."
Since Thanksgiving is primari-

ly spent with family and friends, no one destination is surfacing as the only holiday "hot spot," Best said. But airline bookings to most domestic destinations have been brisk.

"For those not visiting relatives, Florida and Caribbean bookings have been high, as they always are during the winter months," Best said. "Las Vegas is also popular destination this holiday because of the inexpensive four-day charters available."

The best airfare deals still available for Thanksgiving may be for those willing to travel during off-peak times, such as Thanksgiving Day or the day after

the holiday. Travelers are urged to scan newspapers or on-line computer services daily for said or airfare wars. They shouldn't forget to check with their travel agent, he airded.

Detroit Metropolitan Airport is espected to be congested during the holiday weekend, particularly on the Tuesday and Wodnessy before (Nov. 21 and 22), and following Sunday (Nov. 21. # You Want A Low Airfare Detroit, You'll Have To

#### The Good, The Bad, And The Ugly News About Northwest's Airfares In Detroit.

Why are airfares to Atlanta so much lower than they ire to other cities? Because Valufet Airlines flies there. In fact, since Valufet began serving Detroit, Northwest Airline's average fare to Atlanta has fallen from \$195 to \$102.\* That's the good news.

The had news is that fares to cities to which ValuJet doesn't fiv are as high as ever. To see what we mean, take a glance at the chart below. (It isn't a pretty sight.)

LETTAVY	NA MITS IN MINISTER IL	NUMBERS OF STREET	VALUELLA TOMEST LINCHEST TAKES
ATLANTA	591 MILES	\$69 / \$366	\$69 / \$119
BOSTON	632 MILES	\$182/\$130	NO SERVICE
MINNEAPOUS	528 MILES	\$1987\$470	NO SERVICE
NEW YORK	501 MILES	\$148   \$371	NO SERVICE

#### Valued Makes The Difference in Airlares.

If air miles aren't the difference in airfares, what is usly, it's ValuJet. And we're working to bring Detroit more low-airfare choices soon. In the meantime, you can connect through Atlanta on Valufet to 14 cities including seven in Florida. And you'll always get \*Low Fares Everyday, Everynchere We Fly;\*\*\*
because that's the Valujet promise.
