Harvest accents

Fresh look: Celebrate the "season of transition" by enlivening your residence with fall decor. Autumn affords the opportunity to "dress up" your home with special harvest items, like Indian corn, hay bales, colorful ornamental gourds and unusually shaped goose gourds. Prices range from 39 cents to \$5.98. Available at English Gardens.

Matter of course

Linking style: Clubhouse Design of Los Angeles is "Making An Art of the Game" with its new line of furniture fashioned from golf clubs. While targeting golfers, the line also appeals to the non-player with its classic American look reminiscent of 1940s and 1950s design. Included are glass-topped coffee tables and side tables, "club chairs," a bar stool and unusual floor and table lamps. Features are hand-finished wood club heads, solid aluminum club heads "feet" and a variety of seat options: natural maple, leather or golf-themed tapestry. Prices range from \$175 for a table lamp to \$370 for a bar stool. The armchair and classic accent table will be available through The Sharper Image catalog (call (800) 344-4444). Call (213) 293-2369 for information.
