

## Nagler from page 17D

unless you can get in fairly close, leave your flash at home.

The photograph shown here of Colin Powell was taken at a recent press conference. A 100mm telephoto and flash from 15 feet away worked just right. For dramatic effect, I positioned myself so that the stars and stripes would be in the background. I waited for a hand gesture to add more interest to the composition and then got the shot!

Monte Nagler is a fine art photographer based in Farmington Hills. You can leave him a message by dialing (313) 953-2047 on a touch-tone phone, then his mailbox number, 1873. His fax number is (810) 644-1314.

**General Interest:** A short telephoto lens, a flash and working his way to the front enabled Monte Nagler to get this impact-filled picture of Gen. Colin Powell.
