

TV-12 crew racks up honors

MARY LINDA CALDERONE

Cable Commission production specialists Donnell Zeidman and Todd Whitman.

All entered their prized TV programs in video contests and won. The Philo award was won by Matt Nichols for his fine INFO TV-12 channel identification promo. Tracy Thompson for her talk show, "My Russian Friend." Jim Mitchell for his public service announcement on "Alcohol Abuse," and SWOCC Production Specialist Donnell Zeidman for her public service announcement on "Missing and Exploited Children."

The Philo awards are sponsored by the Alliance for Community Media. They encompass en-

tries from the central states region of Michigan, Indiana, Ohio and Kentucky.

Farnsworth invented the first receiving tube for television transmissions. In his memory, the Alliance for Community Media recognizes outstanding efforts of modern day pioneers who work to further develop the use of this technology and promote the use of television in our communities.

Congrats to Dr. Philip Singer and Todd Whitman. Their documentary submission of "Persistent Vegetative State - What is Life? When is Death? What is the Law?" won them honorable mention in the prestigious Chris Awards. This is a contest which attracts competitors from Ohio to Tibet. The Chris Awards honor excellence in informational, educational and documentary production for non-profit educational organizations. The awards are presented by the Film Council of

Greater Columbus. This Council was founded to encourage the arts and science of film and video making, support of independent and corporate artists and the improvement of public education.

We, at INFO TV-12, are proud of the outstanding contribution our professional staff and volunteers have made to enhance community television.

Have you ever thought about getting involved with your community TV channel, INFO TV-12? INFO TV-12 features programs created by members of your community for you. Watch award winning programs — local public affairs, news, sports, game shows, talk shows, music programs and more.

Take a free TV production workshop and produce your own programs. The only requirements are that you live, work or belong to a non-profit organization in Farmington, Farmington Hills or Novi.

Call Joan Little today at 553-7300, ext. 251 for more information on our TV workshops.

The next SWOCC meeting is Tuesday, Dec. 12 at 5 p.m. in Farmington City Hall.

The next CAC meeting is Tuesday, Dec. 12, at 7 p.m. in the SWOCC office on Research Drive, Farmington Hills.

Mary Linda Calderone is the Community Outreach Coordinator for the Southwestern Oakland Cable Commission.
