rocks had such a fine rushing game. His best performance might have been his last when he took on Hot all stater Steve Robedeau in the Class AA final. Monnette 'and many two can name his school to an a student who can name his school "Jadf many times with in tande or expr-body this year," coach Tom Mach add. "Some gays ouverighted hum by 30-40 pounds, and he did a tremendous job. In to last game, it thought he did an excel-lent job on their best defensive lineman."

Mike Soanowski, Glenn: The senior tackie was a three-year varsity player and two-way starter the last two seasons. Soanowski anchored another solid Glenn offensive line and also started at line-backer. Ho do 47 nist hits and 71 as-

Eric Gillio, Redford CC: The serier tight end uses an academ bodder, main-game, and he was the log rocher with a series of the series of the series of the 24 receptions of 303 yards and Uree Tos, induce has shown interest, as well Ball State Kowing Green and Tokedo. "Nobody had more than three (catches), so he was the goot by 30 rock the series of the series of the side Argument in a lot of inter to he side Argument in a lot of inter to he side Argument in a lot of inter to he side Argument in a lot of inter to he side Argument in a lot of inter to he side Argument in a lot of inter to he side Argument in a lot of inter to he side argument in a lot of inter to he side

Roamy. Roa Hunter, Canton: This was only the second year Hunter has played football, but college scouts have seen enough 10 responses of 875 yerds and 10 TDs. He is an Al-kran baselability but might opt to play most work of the out might opt to playmod the parts for TDs and one kikotor for a 'D. He had three interceptions. CXM is recruiting him; HSU and hill are interested, too. "The kid has made so much improve-ment in one year, it's unbelevable," coach bob kincerie scield. "He has great hards and year the second is in the 400, Hor's a threat second (s. In the 40), Hor's a threat second (s. In the 40), Hor's a threat second (s. In the 40), Hor is a threat every time board after the rootbalt, He's a threat every time is the footbalt, He's a threat every time is the too the bad."

Richard Rashad, Wayne: Roshod switchd from light end to wide receiver at the end of the "34 season, and it was a good move fire a concerned. Note caught 30 passes for 337 yorder wide statuters, he wide a state of the season wide statuters, he use a season of those holds who can make the groat catch or renter a big byto get your team playing at another level, "When we were playing John Glenn and the score was tood, he howdon stat." When we were playing John Glenn and the score hold a groat block and our hids played at a higher level for the rest of the game. He's a good baskthab playing, but (think his sport will end up being floot-bal."

Lorenzo Guessa, Wayne: The Junior quartenback has started since he was a treatman and holds Wayne career pass-ing neurals ary arraits (3.200), completions (200) and Tbs (31), the completion of 77 of 180 passes (71, 162) yands and 10 touchdowns that year, the sito numbed Unites for 245 yands and there Tbs. He played monsterback on defense and was warned SWP.

Wayno's MVP. "I had to agree with (Glenn coach) Chuck Gordon when he said Lorenzo is one of those kids who could probably play on. Sunday," coach Chuck Howiton said. "He's a tentic besketbell player, but i think somewhere down the road he's going to make a commitment to football.

Ryan Culioty

Beb Johanon, Canton: Johnson Can do It al, according to coach Rob Khomito, and he nearly old for the Chiefs. He com-pleted 82 of 157 passes for nearly 1,500 yards and 11 touchdowns; he nearbed 78 times for 528 yards and eight TDs. John-son stut has another year of high school ball, but Khoenie aadh ewil make en ex-cellent colegio quartertock. He also hud three introcpions. Tanakae good decisions and he's a very good aud, "Khoenie saadh. "This kid is top-grade in al areas. As much as he wants to accomplish, he has the ability to do it. He returns punts and he could return luckalts, too, if we wanted."

Lickoffs, too, If we wanted."
Lickoffs, too, If we wanted."
Lickoffs, too, If we wanted."
Lickoffs, and the second sec

pic, He disrupted a kit of offenses." Jeson Granger, Harrison: The schild taiback had the ability to score from any-where on the field, life nushed for 1,670 yards and 20 toochdowns on 207 et templa José pards. Only John Miller has more yards (493), but he played en c.-tra year on the varity and had 218 more carries. Granger broke his brother Roy's single-game nushing recent with 250 points. He also returned a punt, busch and then-the also returned a punt, busch and then the also returned a punt, busch and then be also returned a punt, busch and then the also returned a punt, busch and then and then the also returned a punt, busch and then and then and then the also returned a punt, busch and then and then and then and then the also returned a punt, busch and then the also returned a p

rushed for more than 1.600 yards." Jaske Stakosky, Familiagton: The sen-for tablock set a new standard for future inning backs at Familiagton: The sen-line of the sense of the sense of the sense year varity correr. He holds achood into year of the sense of the sense to the sense of the sense of the sense to the sense of the sense of the sense to the sense of the sense of the sense to the sense of the sense of the sense terception and there fundle module also parts of the returned for a TD. I sense for the sense of the most dedicated play-ment of the net parts of the most important play of the game, he practiced the same way. I think most coaches would agree he was the best two-way played in our leago. "We has the postimilar to play in the modified place. I think he can play in the MAC; if not there, Dyksion II are sun."
