**Franklin's Advice On Living Is As Good As Ever Today**

Benjamin Franklin, whose birthday occurred this week, is remembered for his many achievements. He was a great statesman, an author, a diplomat, a publisher and a scientific experimenter. Thomas Jefferson, who followed Franklin in his ambassadorial mission, said of him, "I can only succeed Franklin; I cannot replace him." However, Franklin is perhaps best remembered today for his common sense advice on living. He was a staunch advocate of thrift, temperance, keeping regular hours and not wasting time, and he apparently lived by his own rules. Your House of Worship would certainly approve of all this good advice, so attend it, and thank God for providing us with a great man like Benjamin Franklin.

"Let your moderation be known unto all men."  
- Philippians 4:5
