

Design center sets floor sample sale

Michigan Design Center, home to the finest interior furnishings from the world's premier manufacturers, will have its semi-annual floor sample sale 9 a.m. to 5 p.m. Saturday, Jan. 20, and noon to 5 p.m. Sunday, Jan. 21.

Shoppers will find savings of 60 to 70 percent off list prices on hundreds of floor sample items from the fabulous showrooms of MDC, 1700 Stutz, north off Maple between Crooks and Coolidge in Troy.

Admission is \$3, with a portion of the proceeds going to benefit COTS, the Coalition on Temporary Housing. COTS is the largest shelter for homeless men,

women and children in Michigan.

All items will be displayed and sold in the participating showrooms or in a special sale area. Remaining showrooms will be closed but lighted for window viewing. COTS will sponsor light refreshments and beverages for a nominal charge.

Merchandise will be sold as is, and all sales are final. Payment may be made by cash or check with some showrooms accepting Visa or MasterCard. A delivery service will be available, and arrangements can be made at the customer's expense. Delivery must be accepted within 10 days.

Nagler from page 4D

To minimize problems with contrast, photograph subjects that are out of direct sunlight. Better still, an overcast day provides the best lighting for street-life people pictures. Bright colors are more saturated and lighting on faces is more flattering.

Use a fast film in the 400ASA range either color or black and white depending on your preference. The faster films will enable you to handheld exposures

under most circumstances.

So there you have it! Become street-wise with streetlife.
