

ELEVEN YEARS OF HEALTH.

Kidney Trouble Never Returned.

Mrs. Everett Griffith, 2845 E. Indiana Ave., Evansville, Ind., says: "I was certainly in bad shape from kidney disease and it is really a wonder that I am alive today. The kidney secretions passed irregularly and were a normal healthy; I had back aches with my head and at times could hardly stand. My left limb below the knee became so badly swollen that I began to treat myself for dropsy and my back was so sore and lame I could not raise my arms above my head. I was finally induced to take Doan's Kidney Pills and in six weeks I was well. My cure was made in 1909 and I have enjoyed excellent health ever since."

Remember the name—Doan's. For sale by all druggists. 50 cents a box. Foster-McIlburn Co., Buffalo, N. Y.

What Mamma Said. When the new minister, "Mamma," the little girl whispered, "the man in the drawing room wanted me to kiss him."

"Well," replied mamma, "why didn't you let him?" "No, I wouldn't," replied Anna promptly. "But mamma says she will"—exchange.

Important to Mothers. Examine carefully every bottle of CASTORIA, a safe and sure remedy for infants and children, and see that it bears the Signature of *Dr. J. C. Fitch*. In Use For Over 30 Years. Children Cry for Fletcher's Castoria.

And You Must Pay. "Experience is the best teacher," quoted the "Wit Guy."

"Yes, but her charges are mighty high," added the Simple Man.

ASK FOR ALLEN'S FOOT-PADE. The Allen Foot-Pade is a shoe that is made of leather and is a safe and sure remedy for infants and children, and see that it bears the Signature of *Dr. J. C. Fitch*. In Use For Over 30 Years. Children Cry for Fletcher's Castoria.

These with whom we can apparently become well acquainted in a few moments are generally the most difficult to rightly know and understand.

If not God, whence duty? There remains no other source than blind, brutal, tyrannous force. Duty never issues from that—Mazluzin.

The herb laxative, Garfield Tea, promptly overcomes constipation, biliousness, sick-headache and insures better health.

Many a man succeeds because he's a good guesser.

Libby's
Evaporated Milk
is the handiest thing in the pantry. It is pure and always ready to use.

There is no waste—use as much or as little as you need, and the rest keeps longer than fresh milk.

Gives fine results in all cooking.

Tell your grocer to send Libby's Milk.

IMPORTED NURSERY STOCK CARRY DESTRUCTIVE PESTS

Winter Nests of Brown-Tail Moth Brought to This Country From France—General Warning Given to Keep All Plants Under Strict Watch—Insect Exercises Deleterious Effect on Health.

(By C. L. MARLATT, Entomologist, United States Department of Agriculture.)
Winter nests of the brown-tail moth, each filled with hundreds of young larvae, and occasional egg masses of the gipsy moth have been brought in to the United States, the former in enormous numbers, during 1909-1910 on imported nursery stock, and the importations for the season 1911 are again bringing in these brown-tail moth nests. This infested stock, coming largely from nurseries in northern France, has been scattered widely over the United States east of the

Female Gipsy Moth.

Rocky mountains, and while every effort has been made to trace these importations and inspect and destroy them, the probability of many unreported shipments or inefficient inspection is very great.

A general warning is therefore given to all users of such imported plant stock, namely, to nurseries, fruit raisers, and purchasers of ornamentals for city or part planting, to keep all such imported stock under strict watch to see that these pests do not develop.

It is scarcely necessary to comment on the tremendous danger which the importations of nursery stock of the last three seasons have brought to this country. The enormous cost of the gipsy moth and the brown-tail moth in New England is now well known. Throughout the infested districts of New England orchards have been completely destroyed and forests largely obliterated, and even where woodlands and parks have been protected at an enormous expense their beauty and value have been vastly lessened.

Massachusetts has spent millions of dollars in an effort to control these pests, and with their spread to other states the work of control has been taken up in these plans. The National government has been asked to come to the rescue, and is now appropriating \$300,000 a year in the more attempt to check the distribution of these pests along the principal highways. Massachusetts and the other infested New England states are now spending more than a million dollars a year in control work. In spite of these efforts and this enormous ex-

The Brown-Tail Moth.

penditure the gipsy moth and the brown-tail moth are steadily spreading in New England and great damage is experienced from them yearly. Extermination is entirely out of the question, and all these expenditures must go on indefinitely at a probably increasing rate, unless some natural check by means of parasites can be brought about.

In addition to the great destructive

ness of these pests to orchards and forests, their establishment in any suburban residential district means an enormous depreciation in property values, as is now illustrated about the city of Boston, and very notably lessens the attractiveness of coastal mountain summer resorts. The north shore towns of Massachusetts and lower Maine resorts have already felt this influence, and for such regions as the Catskills and Adirondacks the estimated loss of these pests would be most disastrous, inasmuch as control over such extended forested mountains is practically impossible.

When it is realized that these two pests have been widely distributed, on imported nursery stock, in 22 states during the years of 1909 and 1910, and are now coming in on imported stock from France and Belgium, the danger to the whole country is fully apparent, and this danger applies to every orchard and to every owner of private grounds and also to our entire forest domain. The tax from these pests, should they gain foothold throughout the country, as measured by the existing cost in New England, is almost beyond estimate.

In addition to the great monetary loss, the brown-tail moth exercises a very deleterious effect on health. The

Winter Nest of Brown-Tail Moth.

hairs which cover the caterpillars of this moth are strongly netting, and not only are they so from accidental contact with the caterpillar which may fall on clothes, face, neck, or hands from an infested tree, but also from the myriads of hairs which are shed by these caterpillars when they transform to the chrysalis state. The latter fall and find lodgment on clothing, or collect on the face, neck, or hands, and frequently cause very disagreeable and extensive netting, the effects of which may last for months. Breathed into the lungs they may cause inflammation and become productive of tuberculosis. The brown-tail rash is well known throughout the regions infested in New England and thousands have suffered from it. All of the assistants who have been connected with the government work with these pests in the New England states have been seriously poisoned. Two of them have had to give up their work and go to the southwest to attempt to recover from pulmonary troubles superinduced by the irritating hairs of the brown-tail moth, and the death of one man employed on the work was due to severe internal poisoning contracted in field work against larvae. This insect is, therefore, a most undesirable neighbor, even if it were not responsible for great injury to orchards and brimmental trees.

TWELVE VARIETIES OF DUCKS

There are 12 standard varieties of fowls raised in this country as follows: The white Pekin, white Aylesbury, colored Rodeo, black Cayuga, colored Muscovy, white Muscovy, Indian runner, gray call, white call, black Swedish, crested white and blue Swedish. Of these varieties, the first seven are

REPATRIATED.

HE HAD \$400.00 IN CASH IN 1909; NOW WORTH \$9,000.00.

My parents were originally Canadians from Essex County, Ontario. I was born in Monroe County, Michigan, from which place I moved to Red Lake Falls, Minnesota, where I farmed for 22 years. I sold my farm there in the summer of 1903 and in September of that year came to Canada with my wife and eight children. I had about \$400 in cash, team of horses, a cow, a few sheep and some chickens. I took up a quarter section of land near Jack Fish Lake, Meota P. O., and later on purchased for \$2,000.00 an adjoining quarter section. I have now 48 head of cattle, a number of horses, good buildings and consider my holding is worth at least \$9,000.00. My children have raised from \$100 to \$500 worth of garden truck each year since we have been here. I have never had a frost crop and have never had one frozen. My wheat has averaged from 25 to 30 bushels per acre with one or two years considerably more. My oats have always yielded well up to 50 bushels per acre and once or twice as high as 85. My cattle have never been starved in winter, and do not need it. I consider that this country offers better opportunities for settlers than anywhere I have ever been. I am sure that almost any person can come here and buy land at say \$15.00 per acre and pay for it in one crop. My experience is that if a man farms his land in the right way he is not likely to have his crop frozen.

Most of the settlers in my district are Americans and Canadians and I know lots of them who came here with little or no capital who are now doing well, but I do not know of any who have left through disappointment, or becoming discouraged, have returned to their former homes.

EUGENE JUBINVILLE.
There are many whose experience is similar to that of Mr. Jubinville. Secure Canadian Government literature from nearest Canadian Government Agent, and see for yourself.

How He Did It.
At the dinner Saturday of the Military Order of Foreign Wars, Capt. Carlyle L. Burridge told of a man who, returning to his domicile at corker, underwent an inspection by his wife, who desired to know how he came to have a large bump on his forehead.
"What? Oh, that's where I bit my self," explained he of the night key.
"Bit yourself?" the lady repeated after him. "How could you bite yourself away like that?"
"Why, I stood on a chair," he said.—Cleveland Leader.

SUGGEST IT.

Next time you're out with friends, and you're all wondering what you can drink to quell the thirst—something that you'll all enjoy—suggest COCA-COLA.

Everyone will thank you for an introduction to the most delicious, refreshing and thirst-quenching beverage that anyone could drink. It is cool, invigorating, and just hits the dry spot. At soda fountains or carbonated in bottles—so everywhere. As to its wholesomeness—write to the COCA-COLA CO., Atlanta, Ga., for a copy of their booklet, "The Truth About COCA-COLA"—compiled by authorities.

Who She Was.
"Well," laughed Skelgates, "some men never know when they are spooked! That lady you just spoke of was about as distant as they make 'em in her greeting!"
"Well, why shouldn't she be?" retorted Jabbers. "She's a distant relative of mine."

"By marriage?"
"No—by divorce. She got rid of me at Sioux Falls back in 1898."—Harper's Weekly.

He Got It.
"Won't you give me an order?" pleaded the too-perpetrated traveling salesman.
"Certainly. Get out!"

If constipation is present, the liver sluggish, take Garfield Tea; it is mild in action and never forces its potency.

Many a fellow who falls into a fortune goes right through it.

Mrs. Winslow's Soothing Syrup for Children's Teething, softens the gums, reduces inflammation, allays pain, cures wind colic, soothes a bottle.

Don't let your money burn a hole in some other fellow's pocket.

Dr. Pierce's Favorite Prescription
Is a positive cure for weakness and disease of the feminine organism. It allays inflammation, heals ulceration and soothes pain. Tones and builds up the nerves. Do not permit a dishonest dealer to substitute for this medicine which has a record of 40 years of what I ask for.

Dr. Pierce's Pleasant Pellets induce mild action, bowel movement once a day.

HER PROPERTY.

Old Man—Here, get out of that puddle at once!
Kid—N!t! You go an' find a mud puddle of your own!

Shouldn't He?
A very good natured broker, who is very much larger than his wife, and who likes his little joke at someone else's expense, was sitting in a theater. A man behind him, not knowing who he was, leaned forward and whispered, "Will you please ask your wife to remove her hat?"
"I'd better do it myself," I'm afraid."

Whereupon the man behind became angry, arose, protested and left the theater.
Sure Thing!
Hubby (with newspaper)—Well, well! Another bank gone to smash and none of the directors knew anything about what was going on!
Mrs. Yollington—Of course, not! It wouldn't be so if the directors were all women.—Boston Transcript.

Do your feet feel tired, ache, and sore at night? Rub them with a little Hamlin Wizard Oil. They'll be glad in the morning and so will you.

The right kind of a depilation today will put powder in your gun for tomorrow.

IF YOU HAVE A SICKLY YOUNGSTER TRY THIS FREE

The family with young children that is without acetone in the house now and then is rare, and so it is important that Mrs. E. H. Head of Toronto, Canada, who is a successful and a successful doctor. It is true, but in the majority of cases, a doctor knows that the child suffers from some intestinal trouble, usually constipation, and it is a pity or a remedy containing an opiate, for it is a sure sign of the bowels to be always commended. Rather give it a small dose of a mild laxative tonic, like Dr. W. B. Caldwell's Syrup Pepsin, which, by clearing out the bowels and strengthening the

Bocker—A girl drops her music and a man takes up his smoking.
Garfield Tea cures constipation, keeps the blood pure and tones up the system.
Flattery is simply the nice things we say about other people.

Backache

Is only one of many symptoms which some women endure through weakness or displacement of the womanly organs. Mrs. Lizzie White of Memphis, Tenn., wrote Dr. R. V. Pierce, as follows:
"At times I was hardly able to be on my feet. I believe I had every pain and ache a woman could have. Had every bad case. Internal organs were very much diseased and my back was very weak. I suffered a great deal with nervous headaches, in fact, I suffered all over. This was my condition when I wrote to you for advice. After taking your 'Favorite Prescription' for about three months can say that my health was never better."

SHE SUFFERED FIVE YEARS

Finally Cured by Lydia E. Pinkham's Vegetable Compound.

Erle, Pa.—"I suffered for five years from female troubles and at last was cured by Lydia E. Pinkham's Vegetable Compound. I went to three doctors and they did me no good, so my sister advised me to try Lydia E. Pinkham's Vegetable Compound. I took it, and when I had taken only two bottles I could see a big change. So I took six bottles and I am now strong and well again. I don't know how to express my thanks for the good it has done me and I hope all suffering women will try Lydia E. Pinkham's Vegetable Compound a trial. It is worth its weight in gold."—Mrs. J. P. ENDICOTT, R. F. D. No. 7, Erle, Pa.

Lydia E. Pinkham's Vegetable Compound, made from native roots and herbs, contains no narcotic or harmful drugs, and today holds the record for the largest number of actual cures of female diseases we know of, and thousands of voluntary testimonials are on file in the Pinkham laboratory at Lynn, Mass., from women who have been cured from almost every form of female complaints, such as inflammation, ulceration, displacements, fibroid tumors, irregularities, periodic pains, backache, and today holds the record for the largest number of actual cures of female diseases we know of, and thousands of
