TO OUR VALUED CUSTOMERS...

The true value of one price selling is not economy it is measured by the low price and high customer satisfaction. For this program to have maximum value to our customers, our prices must consistently be at the low end of the market. We continuously monitor pricing in this area in order to stay a step ahead of our competition.

We want you to feel completely safe and happy in your purchase, but we also want you to feel good about the price you paid. It is exactly for that reason why we have instituted our 30 Day Price Protection Policy.

We would like to be your source for all your automotive needs and services and will continue to work very hard to keep your business. Thank you for choosing to shop at Gordon Chevrolet-GM.
