In the wet: Swimming was certainly part of the fun at last year's Farmington Hills Family Day as Michael Murphy, 6, and his dad, Patrick Murphy, remember.

## Family Night from page 1A

Following successful, standing room only performances of "The Adventures of the Ugly Duckling" in 1994 and "The Velveteen Rabbit" last year, the non-profit touring company September Productions will present an adaptation of C.S. Lewis' "The Magician's Nephew" at 6:45 p.m. in Dublin Hall.

The play is the story of Digory and Polly, whose adventures happen on mythical Narnia just as it is being created. Through the characters, the Evil Magician, Queen Jadis and the Great Lion Aslan, a distinction is made between the two kinds of magic — good and bad — and it is up to each of us

to decide which to use.

Family Night, which begins at 6:30 p.m. will be at the Farmington Hills Activities Center on 11 Mile Road, a quarter mile east of Middlebelt. Those attending should use gates 3 and 4.

Although there is no admission charge, donations of non-perishable food items, "gently worn" coats and new gloves or mittens, will be accepted at the door.

For more information, call the Recreation Division weekdays from 8:30 a.m. to 4:30 p.m. at 473-9570.

## Men, do you have trouble urinating?

Providence Hospital & Medical Centers are currently evaluating an investigational medicine in men with an enlarged prostate, or BPH. If you have been diagnosed by a doctor as having BPH, enlarged prostate, and answer "YES" to any of the following questions, you may qualify to participate in this study.

- ☐ Do you have trouble urinating?
- ☐ Do you urinate often?
- ☐ Do you have trouble starting, or do you stop and start several times while urinating?
- ☐ Do you have a weak stream?
- ☐ Is your sleep disturbed at night because you need to urinate?

Study medication will be provided without charge and there is no cost to you for services. For additional information please call
