the last one of my high school career. It's something I've worked for all season and now it's here. I just have to make all the hard work pay off."

"Being second last year will serve as another form of motivation for me," he said. "If I got to that point, I'll know how it feels to lose and that could be an extra factor in driving me to the state meet."

Michalek pinned Dave Wagner of Bridgeport in his first bout (2:50) and blanked Steve Simon of Birmingham Groves 6-0 to reach the finals.

Lane (28-10) earned his first trip to state by winning three of

four regional bouts.

He pinned (4:23) Jason Vaughn of Ogemaw Heights, lost to Aaron Illes of Mount Morris 17-1, defeated Carman Smith of Groves 7-2 and whipped Neil Munson of Bridgeport 14-4.

"Going to state has been my goal since I was a freshman," Lane said. "Now that I have a chance to do so and that could be an extra factor in driving me to the state meet."

"For helping me to achieve that goal, I really have to thank coaches Beyer, (Barry) Walsh and (Scott) Lucas and my wrestling partner Charlie Jaeger."

Richmond is a first-year wrestler who has compiled a 32-11

record.

He advanced initially when his Cheboygan opponent didn't show but lost 3-1 in sudden death overtime to Dorian O'Gorman of Richmond.

Richmond defeated Oxford's Ryan Curtis 4-3 in overtime, coming with 15 seconds left, but lost to Bridgeport's Jeremy Snelberger 7-1 in the finals.

"He was so tired after two overtime matches that he was just drained," North coach Zaini Cummiskey said. "We thought he would get through, and we were real pleased when he did."

"It's wrestling his best now and hitting his peak. Hopefully, he'll do well at state."
