"Walk-On-Water Women"
featuring Melodie Chenevert, R.N.

The second annual Women's Health Day, sponsored by St. Mary Hospital's Marian Women's Center, features speaker Melodie Chenevert, R.N., of PRO-NURSE, Gaithersburg, Maryland, and a host of other health experts from St. Mary Hospital and the community.

More is being asked of women and women are asking more of themselves, according to Chenevert. The drive to be it, have it all, and do it all has given rise to the myth of the Walk-On-Water Woman. WOW women strive to be high achievers intellectually, physically, emotionally, domestically, financially, personally and/or professionally. Chenevert will explore some of the physical and emotional complications WOW women face. She will help you reassess your strengths and priorities. If you can't walk on water, join us for a swimming lesson!

Women's Health Day will include **WORKSHOPS** on:

- Stress and You
- Domestic Violence and Abuse
