"where the Spirit of God is blessing"

Worry can be defined as being overly concerned or anxious; to torment oneself with disturbing thoughts. A little worry can be good as long as it doesn't inhibit your daily living. You have to be concerned with your everyday activities in order to function in this often hectic world of ours. It is difficult not to be anxious about illness, family, financial problems, etc., but what is the best way to deal with these concerns? As a young child goes to a parent for guidance, we should be reminded that we have a Father in Heaven who can help us with our anxieties if we put our trust in Him. And call on me in the day of trouble: I will deliver thee and thou shalt glorify me. — KJV Psalm 50:15
