Introducing... **HAP Senior Plus** ...the new alternative to Medicare supplements that gives you the option to pay **ZERO** health plan premiums.*

Here's how **HAP Senior Plus** works.

Through a special agreement with the Health Care Financing Administration (HCFA), Health Alliance Plan is paid a set amount to manage your health care. In return, **HAP Senior Plus** agrees to provide for all of your health care needs. That includes hospitalizations, physician's services, outpatient care, home health care...and more. **HAP Senior Plus** even covers preventive care, immunizations and routine physical exams.

As an HMO for people with Medicare — **HAP Senior Plus** covers most services 100%. There are no deductibles or coinsurance bills to pay.

HAP Senior Plus gives you coverage options.

Select the Zero Premium Option and for some services, like doctor's office visits, all you have to pay is a modest office visit charge of \$10. But that's all you pay. Everything else is covered in full. And there's no monthly premium — ~~ever~~.

Or if you want, you can select the Rx Option and add important prescription drug benefits and reduce your office visit charge to \$5.

Here's what **HAP Senior Plus** covers.

HAP Senior Plus gives you all the coverage you have now with your Medicare and Medicare supplement plans. But it goes even further and covers preventive care, immunizations and even yearly physical exams. Here's a partial list of the services covered for in-network care:

- Hospitalization, including:
 - Semiprivate room,
 - Regular nursing services
 - Inpatient physician and surgical services
 - Outpatient hospital services
